### **Gasoline Release in McKenzie County**

BISMARCK, N.D. – The North Dakota Department of Health (NDDoH) has been notified of a gasoline release at Patriot Fuels LLC, located near Alexander, N.D., which resulted from a structural failure of a 20,000 gallon (compartmented 12,000/8,000) underground storage tank. The release occurred on Thursday, Feb. 25.

Initial estimates indicate approximately 10,000 gallons of premium gasoline were released. Personnel from the NDDoH are at the site and will continue to monitor the situation.

For more information, contact Carl Ness, North Dakota Department of Health, at 701.328.5166.
