### **Department of Health to Hold Meeting on Proposed Swine Operation in Ramsey County**

BISMARCK, N.D. – The North Dakota Department of Health (NDDoH) has received an application from Grand Prairie Agriculture, LLP for a swine operation. The facility would house 242 nursery pigs weighing less than 55 pounds and 2,432 swine weighing more than 55 pounds. The proposed location is in Ramsey County in the southeast quarter of Section 24, Township 154 North, Range 66 West, or approximately 10 miles west of the City of Devils Lake.

The NDDoH is currently reviewing the application and will be holding a public meeting to provide information about the environmental permitting process for the facility and to answer questions. The time, date and location of the meeting will be announced once the NDDoH has completed its review.

For more information, contact Marty Haroldson, North Dakota Department of Health, at 701.328.5210.
