National Governors Association to Facilitate Emergency Medical Systems Meeting

BISMARCK, N.D. – The North Dakota Department of Health (NDDoH) Division of Emergency Medical Systems (DEMS) will host the National Governors Association to discuss best practices for EMS across the nation. The discussion will emphasize effective ways to distribute rural EMS grant funds. The meeting will be held Thursday, Feb. 15, from 10 a.m. to 12:45 p.m. in the Pioneer Room located in the State Capitol Building. If special accommodations are needed for the meeting, please call the NDDoH at 701.328.2270.

“We look forward to learning what works for other states and ways we can improve our EMS system in North Dakota,” said Emergency Preparedness and Response Section Chief Tim Wiedrich. “We value the commitment our ambulance services demonstrate to the citizens of this state and want to find the very best way to support them with the resources we have.”

The public is welcome to attend the meeting. An agenda and electronic connection instructions will be made available at <https://www.health.nd.gov/epr/emergency-medical-systems/nga/> prior to the meeting.

For more information, contact Alan Aarhus, NDDoH, at 701.328.2270.
