NDDoH announces Grand Forks dispensary opening date

BISMARCK, N.D. – On May 22, the second medical marijuana dispensary is expected to open in Grand Forks. The dispensary, named Strive Life, is operated by We-Mend LLC and is located at 1809 13th Avenue North.

“We are happy to announce the opening date of another dispensary under the Medical Marijuana Program,” stated Jason Wahl, director of the North Dakota Department of Health (NDDoH) Division of Medical Marijuana. “We would like to extend our appreciation to the Strive Life team for their work on becoming the second dispensary to open.”

For a qualifying patient or designated caregiver to enter the display area of a dispensary, they must have their registry identification card. Over 450 registry identification cards have been issued to qualifying patients. Information for applicants is available on the Division of Medical Marijuana’s website at www.ndhealth.gov/mm.

Construction and remodeling work continues at the dispensary locations in Bismarck and Williston. The entities in the other four dispensary regions are moving forward in the processes to obtain special use and building permits.

For questions, please contact the Division of Medical Marijuana at 701-328-1311.
